New FAMILY GROCERY.-We refer our readers to G. B. Carsun's advertisement in another column. For a long the people of this vicinity have felt the great need of a good establishment of this kind. To meet the wants of our citizens in the increasing demand for articles usually kept in such a house, Mr. Carson has opened a general assortment of family groceries, oils, paints, perfumery, patent medicines, &c. There is now no need of going to Leavenworth to make purchases in this line of trade, for Mr C. intends to keep everything usually found in Grocery and Provision stores, which he will sall at a very small profit for eash-only. It is the interest of every property holder in town and every farmer within reach of Oskaloosa, to build up a good business trade here, and we advise every body to patronise home trade, rather than to go to other points to purchase. Though Mr. Carson is a married man, he has not forgotten the young ladies; but has for sale a fine assortment of perfumery, which he purchased for their especial benefit. We my to all, buy your groceries of Carson.

WHAT are the School Directors doing toward the erection of a school house There is no time to spare between this and the commencement of the winter term of school. This matter ought to be pushed forward with all practicable speed, so that at least one department be completed as early in the fall as possible. Won't the L. P. & W. R. R. Co. donate a site for this improvement?

Bar A young lady friend in Washington will please accept our thanks for a copy of the speech of Hon. James S. Rollins, delivered in the House of Representatives on the 24th of April.
